

Dear Parkview Softball Parent,

It is time for another exciting season of Parkview Lady Panther Fastpitch Softball. I am looking forward to working with the girls on the field and with you off the field as we continue to build upon a program in which we can all take tremendous pride.

We have two main goals for our softball players at Parkview. First, we want them to become the best student-athletes they can be. They will be challenged and encouraged to work both in the classroom and on the ball field to reach this goal. Secondly, we want them to be productive members of the Parkview community and other communities to which life will take them. We hope to reinforce desired qualities such as teamwork, dependability, promptness and a strong work ethic.

With hard work from our players, coaching staff, and booster club combined with assistance from the ever-supportive and dedicated Parkview community, we look forward to meeting our financial obligations for the 2012 season. We greatly appreciate your support of Parkview softball and look forward to seeing you at our games this fall.

Enclosed in this packet you will find various information as well as forms to be completed prior to our 2012 parent meeting. Please take the time to complete the forms and have them with you on August 11th.

Sincerely,

*Joey Farah
Head Coach
Parkview Lady Panther Softball*
